

ORIENTATION PROGRAMME, 2019

NETES Institute of Pharmaceutical Science, NGI Mirza has organized student induction programme for the session 2019 as per the norms of UGC, New Delhi from 5th August to 8th August 2019 as a platform to welcome the new students to higher education and prepare them for a new role

Day 0 (05/08/2019): Was started with the formal academic registration along with other admission formalities. This was followed by the formal introduction with the teachers and other non teaching staff, a visit to the central library, the class rooms, the medicinal garden, cafeteria and also the security cell and personals

Day 1 (06/08/2019): The day started with a visit to all the department practical laboratories exploring the animal house facilities and also the departmental library.

The day was concluded with the formation of several groups consisting of 20 students each and was assigned to different faculty members (**Mentor-mentee-group-introduction**)

Day 2 (07/08/2019): Along with the growth of students academic carrier there is a need for every student to be socially sound and responsible. As a mark to this context the day started with the lectures of some eminent personalities from various field and they highlighted the students with various topics like the importance of moral beliefs in our day to day life.

Apart from this the students were allowed to express their feelings regarding their expectations and outputs after pursuing degree or diploma in Pharmacy. Moreover the students were given a platform to showcase their extracurricular activities in the field like singing, dancing, acting, arts and crafts and also in several outdoor games like Cricket, volleyball, badminton, football etc. Further the students in groups were taken to Deepor Beel and Reserve forests to explore the different flora and fauna available there

Day 3 (08/08/2019): The last day of the first phase of induction programme was started with an early morning Yoga Session in presence of some experts. The students were given demonstration of various techniques of Yoga in order to achieve mental peace and physical balance.

Following the Yoga session a discussion on Mentoring with universal human values was conducted among the students. Furthermore the students were allowed to perform some

indoor activities like Singing, Dancing, recitation, Painting etc along with some outdoor events like football, cricket, badminton and some fun games.

Some of the groups of students were again taken to Deepor beel and Reserve Forest to explore the natural beauty over there.
