Message

NEMCARE Group of Institutions (NGI) is one of the widely known institutions of the northeastern part of the country where we have been trying to impart quality education since its inception which is broadly guided by innovative methods of pedagogy and a deep concern to our people and communities. Education, as one the most effective tools for building a society, is always respectful to diversities and values that form the core structure. It is certainly a great catalyst to bring positive changes in the minds of students with acquisition of knowledge, skills, values, beliefs for more inclusive form of development.

NEMCARE Group of Institutions aims to build a well organised and effective manpower in the fields of Pharmaceutical, Nursing & Allied Health Sciences including hospital administration. BBA and BCA are also added for the benefit of the students. It has offered a basket of degree and diploma courses for interested and eligible members of the society including marginalized and disadvantage sections. The institute has well equipped library, class rooms, animal house facilities, nutrition laboratory among others using which the students may empower themselves with both theoretical and practical aspects of their courses. As an educational institution of repute, NGI has already casted an imprint in the fields of research with international publications and patents.

As our coming educational journey will be guided by the vision and philosophy of National Education Policy 2020, our faculty members with their long practical experiences and an incessant desire to accommodate latest innovations will certainly be able to contribute for its meaningful implementation. The vision of the NGI is to create a transformative impact in the society through the nourishing of young talents and providing a conducive research environment for its faculty members. We welcome all our new students to our institution and we expect that all of you will be benefited by our academic programmes and excel in different course of life. NEMCARE Group of Institutions is committed to provide quality education so that everyone of you associated with our educational journey may fulfill their academic aspirations and stand in the society as committed citizens.

A stylized, handwritten signature in black ink, consisting of a large, sweeping 'H' followed by a series of connected loops and a final horizontal stroke.

Dr. Hitesh Baruah
Chairman
Management Committee

From the Desk of **Dean of Studies**

Dear Prospective Students and Parents,

It is my great pleasure to welcome you to NEMCARE Group of Institutions. At NEMCARE, we believe in providing high-quality education and creating well-rounded individuals who are prepared to face the challenges of the future.

Our institutions offer a wide range of courses in various fields such as pharmacy, nursing, masters in hospital administration, and paramedical sciences. Our experienced faculty members provide a stimulating academic environment that encourages students to think critically, communicate effectively, and develop their skills. NEMCARE Group of Institutions has always dedicated itself towards quality education and always try to develop competent individuals who are socially sensitive and committed to excel globally.

Our focus is not only on academic excellence but also on the overall development of our students. We have a range of extracurricular activities, clubs, and sports programs that provide opportunities for students to explore their interests and develop their leadership and team-building skills.

NEMCARE also offers state-of-the-art facilities that support student learning and development. We have well-equipped classrooms, laboratories, libraries, and recreational areas. Our campus is safe and secure, and we have a team of dedicated staff who are always available to provide support and guidance to our students.

At NEMCARE, we are committed to preparing our students for success in their chosen fields and helping them become responsible and ethical members of society. Our goal is to provide an education that will enable our graduates to make a positive impact on their communities and the world.

I invite you to explore our institutions and learn more about the programs we offer. We look forward to welcoming you to the NEMCARE family and supporting you on your educational journey.

Best regards,

Dr. Bhargab Jyoti Sahariah (M.Pharm, Ph.D, MBA)
Dean of Studies
NEMCARE Group of Institutions

From the Desk of **Principal**

Greetings!

NEMCARE School of Nursing was established in the year 2010 and later became the NEMCARE Institute of Nursing Sciences in 2017, under the NEMCARE Group of Institutions (NGI). All the courses offered by the institution are recognized by the Indian Nursing Council, New Delhi, Assam Nurses' Midwives' & Health Visitors' Council, Assam, and the Assam State Government.

The institution's courses aim to equip students with comprehensive knowledge, abilities, and skills to work effectively in various community and clinical settings. The programs also prepare students to assume the role of educator, researcher, nurse manager, and administrator in evolving healthcare scenarios. The institution places great emphasis on decorum, discipline, and conduct that mirrors respectable behavior on campus, and every student receives personalized attention.

We offer two Nursing programs: B.Sc. (N) and GNM. Our faculty is qualified, meritorious, and well-experienced, and we have the best physical infrastructure facilities & well-equipped laboratories. We are proud to say that our college alumni are placed overseas, such as in Singapore and other countries. Most of our graduates are recruited by esteemed institutions and selected for Central and State Government jobs.

Our vision is to take this institution to greater heights.

We wish you happy learning and encourage you to stay blessed at NEMCARE Institute of Nursing Sciences!

A handwritten signature in black ink, appearing to be 'Mamata Devi'.

Dr. Akoijam Mamata Devi (M.Sc.N, PhD., EMBA)
Professor Cum Principal
NEMCARE Institute of Nursing Sciences (NINS)
NEMCARE Group of Institutions

Vision

NGI wants to see a world which is full of competent individuals, with enlightened eyes, at the highest level of success, to visualize about an education system that brings out the best from the thriving students, so that tomorrow they can make a healthy contribution towards the mankind.

Mission

- To spread the true form of knowledge through happiness, to focus on proper nurturing of young minds.
- To promote self-learning amongst students to excel as ethical leaders.
- To provide a platform for innovative thinking and critical analysis.
- To transform each individual by giving them the opportunity and environment to attain the highest level of achievement.
- To assemble a multicultural surrounding of peace and humanity.

Programmes

PHARMACY	ELIGIBILITY	DURATION
Bachelor of Pharmacy (B Pharm)	10+2 (PCM/B)	4 years
Bachelor of Pharmacy Lateral (B Pharm Lateral)	D. Pharm	3 years
Diploma in Pharmacy (D Pharm)	10+2 (PCM/B)	2 years
Bachelor of Pharmacy (Practice)	D. Pharm with 5 years of professional experience.	2 years
Master in Pharmacy (Pharmaceutics/Pharmacology/Pharmacognosy /Pharmaceutical Chemistry)	B. Pharm	2 years
Ph.D. (Pharmaceutical Science)	ASTU-RET, GPAT, NET	As per UGC norms

NURSING SCIENCE	ELIGIBILITY	DURATION
B.Sc. Nursing	10+2 (PCB)	4 years
General Nursing & Midwifery (GNM)	10+2 (Any stream preferably Sc.)	3 years
Post Basic Diploma in Residency Program	GNM/B.Sc. Nursing	1 year

SCIENCE & TECHNOLOGY	ELIGIBILITY	DURATION
B.Sc. Biotechnology	H.S. Pass (Science)	4 years
Masters in Hospital Administration	Degree in any discipline	2 years
B.Sc. in Food Nutrition and Dietetics	H.S. Pass (Science)	4 years
Bachelor of Business Administration (BBA)	H.S. Pass (Any discipline)	4 years
Bachelor of Computer Application (BCA)	H.S. Pass (Science)	4 years

Affiliations and Approvals

Assam Science and Technology University: The M.Pharm (Pharmaceutics, Pharmaceutical Chemistry, Pharmacognosy, Pharmacology), B Pharm (Practice), B.Sc. Biotechnology, B.Sc. Microbiology, Masters in Hospital Administration, B.Sc. in Food Nutrition and Dietetics programmes are affiliated to the Assam Science and Technology University (ASTU), Guwahati which is the only State Government technical university in the North Eastern Region of India established in 2010 by the Assam Government under the Assam Science and Technology University Act 2009.

Srimanta Sankaradeva University of Health Sciences: The B.Pharm, D. Pharm and B.Sc. Nursing programmes are affiliated to the Srimanta Sankaradeva University of Health Sciences (SSUHS), Guwahati, Assam. SSUHS was established in 2009 as per "The Srimanta Sankaradeva University of Health Sciences, Act, 2007"; which is the only Health University in the North Eastern Region with its jurisdiction to the whole of Assam.

Indian Nursing Council: The B.Sc. Nursing and Diploma in General Nursing & Midwifery (GNM) programmes are recognized by The Indian Nursing Council, Government of India, New Delhi.

Pharmacy Council of India: M.Pharm (Pharmaceutics, Pharmaceutical Chemistry, Pharmacognosy, Pharmacology), B.Pharm, D.Pharm, B.Pharm (Practice) programmes are approved by Pharmacy Council of India (PCI), New Delhi.

Assam Nurses' Midwives' & Health Visitors' Council: The B.Sc. Nursing and Diploma in General Nursing & Midwifery (GNM) programmes are recognized by The Assam Nurses' Midwives' & Health Visitors' Council (ANMHVC).

Indian Medical Association: The Indian Medical Association (IMA), a national voluntary organisation of Doctors of Modern Scientific System of Medicine in India recognises the all Allied Health courses.

All India Council for Technical Education: The BBA (Bachelor of Business Administration) and BCA (Bachelor of Computer Applications) courses are affiliated with the All India Council for Technical Education (AICTE), New Delhi.

Conducive Classrooms

The classrooms at NGI Mirza are designed to provide a positive place where a student can come to work toward specific goals set before them in the class objectives. Each classroom is equipped with facilities for both electronic and conventional means of delivering lectures. With an overall capacity of 70 students per classroom, the NGI campus provides a positive, organized and compassionate teaching-learning experience.

Laboratories

Well-equipped laboratories are a forte of every institute. NGI boasts of over 25000 sq. feet of well-equipped laboratories, with instruments and apparatus that deals with every aspect of Pharmacy, Nursing, Allied Health and 10+2 practical curriculum; ensuring that every passed out students carries forward a legacy of sound practical expertise in his/her own field.

Library

The Central Library at NGI is a 6000 sq. feet facility for students to venture into the wealth of knowledge available readily at the disposition of experienced librarians and bookkeepers. The library currently houses a dynamic list of 13000 text and reference books of over 5000 titles, 24 journals and 03 e-journal packages. With a reading spaces and computers for e-learning, the library caters to the inquisitive students till 08:00 PM (Mon-Sat) and serves as the backbone of the expanding horizons of education at NGI.

Cafés

The college café “Food Care” is located inside the campus and caters to the students and faculty members with tasty and wholesome food and snacks prepared in a hygienic manner. The café also has free Wifi for students and faculty members to continue their academic and recreational endeavors while they wait for their meal.
