Message

NEMCARE Group of Institutions (NGI) is one of the widely known institutions of the northeastern part of the country where we have been trying to impart quality education since its inception which is broadly guided by innovative methods of pedagogy and a deep concern to our people and communities. Education, as one of the most effective tools for building a society, is always respectful to diversities and values that form the core structure. It is certainly a great catalyst to bring positive changes in the minds of students with acquisition of knowledge, skills, values, beliefs for more inclusive form of development.

NEMCARE Group of Institutions aims to build a well organised and effective manpower in the fields of Pharmaceutical, Nursing & Allied Health Sciences including hospital administration. BBA and BCA are also added for the benefit of the students. It has offered a basket of degree and diploma courses for interested and eligible members of the society including marginalized and disadvantage sections. The institute has well equipped library, class rooms, animal house facilities, nutrition laboratory among others using which the students may empower themselves with both theoretical and practical aspects of their courses. As an educational institution of repute, NGI has already casted an imprint in the fields of research with international publications and patents.

As our coming educational journey will be guided by the vision and philosophy of National Education Policy 2020, our faculty members with their long practical experiences and an incessant desire to accommodate latest innovations will certainly be able to contribute for its meaningful implementation. The vision of the NGI is to create a transformative impact in the society through the nourishing of young talents and providing a conducive research environment for its faculty members. We welcome all our new students to our institution and we expect that all of you will be benefited by our academic programmes and excel in different course of life. NEMCARE Group of Institutions is committed to provide quality education so that everyone of you associated with our educational journey may fulfill their academic aspirations and stand in the society as committed citizens.

Dear Prospective Students and Parents,

It is my great pleasure to welcome you to NEMCARE Group of Institutions. At NEMCARE, we believe in providing high-quality education and creating well-rounded individuals who are prepared to face the challenges of the future.

Our institutions offer a wide range of courses in various fields such as pharmacy, nursing, masters in hospital administration, and paramedical sciences. Our experienced faculty members provide a stimulating academic environment that encourages students to think critically, communicate effectively, and develop their skills. NEMCARE Group of Institutions has always dedicated itself towards quality education and always try to develop competent individuals who are socially sensitive and committed to excel globally.

Our focus is not only on academic excellence but also on the overall development of our students. We have a range of extracurricular activities, clubs, and sports programs that provide opportunities for students to explore their interests and develop their leadership and team-building skills.

NEMCARE also offers state-of-the-art facilities that support student learning and development. We have well-equipped classrooms, laboratories, libraries, and recreational areas. Our campus is safe and secure, and we have a team of dedicated staff who are always available to provide support and guidance to our students.

At NEMCARE, we are committed to preparing our students for success in their chosen fields and helping them become responsible and ethical members of society. Our goal is to provide an education that will enable our graduates to make a positive impact on their communities and the world.

I invite you to explore our institutions and learn more about the programs we offer. We look forward to welcoming you to the NEMCARE family and supporting you on your educational journey.

Best regards,

Dr. Bhargab Jyoti Sahariah (M.Pharm, Ph.D, MBA)
Dean of Studies
NEMCARE Group of Institutions

From the Desk of **Principal**

Greetings!

NEMCARE School of Nursing was established in the year 2010 and later became the NEMCARE Institute of Nursing Sciences in 2017, under the NEMCARE Group of Institutions (NGI). All the courses offered by the institution are recognized by the Indian Nursing Council, New Delhi, Assam Nurses' Midwives' & Health Visitors' Council, Assam, and the Assam State Government.

The institution's courses aim to equip students with comprehensive knowledge, abilities, and skills to work effectively in various community and clinical settings. The programs also prepare students to assume the role of educator, researcher, nurse manager, and administrator in evolving healthcare scenarios. The institution places great emphasis on decorum, discipline, and conduct that mirrors respectable behavior on campus, and every student receives personalized attention.

We offer two Nursing programs: B.Sc. (N) and GNM. Our faculty is qualified, meritorious, and well-experienced, and we have the best physical infrastructure facilities & well-equipped laboratories. We are proud to say that our college alumni are placed overseas, such as in Singapore and other countries. Most of our graduates are recruited by esteemed institutions and selected for Central and State Government jobs.

Our vision is to take this institution to greater heights.

We wish you happy learning and encourage you to stay blessed at NEMCARE Institute of Nursing Sciences!

Dr. Akoijam Mamata Devi (M.Sc.N, PhD., EMBA)
Professor Cum Principal
